

## ***Roaring Fork Club* CAREER OPPORTUNITIES: GOLF COURSE MAINTENANCE STAFF**

- Job title:** **Golf Course Maintenance Staff**
- Terms:** Seasonal, with the possibility of full-time year-round employment with benefits.
- Rate:** \$21-\$23/hour, depending on skills and experience; lunches provided.
- Requirements:** Transportation, able to lift 50lbs, able to work every other weekend, driver's license or permit.
- About us:** We are a team of 30+ individuals who strive to provide exceptional playing conditions for our members while keeping disruptions to play at a minimum. We work on 285 acres of rich land on either side of the Roaring Fork River between Basalt and Aspen, Colorado.
- About the role:** As a member of the golf course maintenance staff, you will play an integral role in the preparation and presentation of a top caliber golf course. Your main purpose will be to provide top-notch conditions for the golfers while enjoying the great outdoors.
- Responsibilities:** Include, but are not limited to:
- Mowing of greens, tees and surrounds
  - Native area management
  - Bunker raking and detail work
  - Re-sodding damaged areas
  - Hover mowing and string-trimming
