

Roaring Fork Club CAREER OPPORTUNITIES: **LANDSCAPE MAINTENANCE - SPECIALIST**

- Job title:** **Landscape Specialist**
- Terms:** Seasonal, with the possibility of full-time year-round employment with benefits.
- Rate:** \$19-\$21/hour, depending on skills and experience; lunches provided.
- Requirements:** Transportation, able to lift 50lbs, driver's license or permit.
- About us:** We are a team of 18+ individuals who strive to provide exceptional landscaping for our members while keeping disruptions to home owners and guests at a minimum. We work on 300 acres of rich land with 64 residential properties on either side of the Roaring Fork River between Basalt and Aspen, Colorado.
- About the role:** As a member of the landscaping team, you will play an integral role in the preparation and presentation of common areas and cabins for the cabin corporation and club. Your main purpose will be to provide high quality landscaping services to our members while enjoying the great outdoors.
- Responsibilities:** Include, but are not limited to:
- ➔ General lawn care and maintenance duties, such as: raking, mulching, weeding, edging and pruning
 - ➔ Planting and maintenance of new and existing plant material
 - ➔ Manage water needs of flower pots, beds, and lawn areas
 - ➔ Assist the team with various hardscaping projects including patios, retaining walls and walk paths
